

# Become A Researcher

**The Goal:** Take on the role of a researcher to interview a classmate. Through this conversation, your goal is to investigate the meaning of the word “transformation” in regards to yourself, your school and your community.

1. What does the word “transformation” mean to you?
2. How have YOU transformed or changed since being at Barclay?
3. What has transformed within Barclay since you’ve been at school?
4. How long have you lived in this neighborhood?
5. How has this neighborhood changed since you were little or moved here?

6. Have there been negative changes in your neighborhood?

7. What part of your school do you want to see transformed?

8. What is beneficial about this transformation?

9. How do you think you can contribute this improvement?

10. What are some challenges that come with transformation?
